Professor Julia Hippisley-Cox
University of Oxford

Dear Professor Hippisley-Cox,

Reference	OX115
Title	Diabetes as a risk pathway towards early diagnosis and prognostication of pancreatic cancer
Chief Investigator	Professor Julia Hippisley-Cox
Date Scientific Committee	Reviewed outside of meetings, decision given via email
Outcome	Approval
Date of Approval	29 th March 2021
Duration of Approval	Until 4 th October 2021
Special Conditions of Approval	None
Amendment number	2

Thank you for submitting your application to QResearch.

Scientific Opinion

The members of the committee taking part in the review gave a favourable scientific opinion of the application on the basis of the application form submitted to QResearch. The committee is satisfied that the research is appropriately designed in relation to its objectives and is likely to add something useful to existing knowledge in accordance with section 4.1.2 of the ethical conditions for QResearch.
