Dear Professor Hippisley-Cox,

Study title: QRESEARCH – A new ethical high quality general practice derived database for research
REC reference: 03/4/021
Amendment number: Minor amendment 3
Amendment date: 13 June 2011

Thank you for your letter of 13 June 2011, notifying the Committee of the above amendment.

The Committee does not consider this to be a “substantial amendment” as defined in the Standard Operating Procedures for Research Ethics Committees. The amendment does not therefore require an ethical opinion from the Committee and may be implemented immediately, provided that it does not affect the approval for the research given by the R&D office for the relevant NHS care organisation.
