18 February 2015

Dear Professor Hippisley-Cox

Study Title: QRESEARCH – A new ethical high quality general
practice derived database for research
REC reference: 03/4/021
IRAS project ID:

Thank you for sending the progress report for the above study dated 13 February 2015. The report will be reviewed by the Chair of the Research Ethics Committee, and I will let you know if any further information is requested.

The favourable ethical opinion for the study continues to apply for the duration of the research as agreed by the REC.

03/4/021:

Please quote this number on all correspondence

Yours sincerely

Tad Jones
REC Assistant
