

11 January 2017

Professor Julia Hippisley-Cox
13th floor Tower Building
University Park
Nottingham
NG7 2RD

Dear Professor Hippisley-Cox,

Study Title:	QRESEARCH – A new ethical high quality general practice derived database for research
REC reference:	03/4/021

Thank you for sending the progress report for the above study dated 10 January 2017. The report will be reviewed by the Chair of the Research Ethics Committee, and I will let you know if any further information is requested.

The favourable ethical opinion for the study continues to apply for the duration of the research as agreed by the REC.
