1	<b>Welcome and apologies</b> RP welcomed everyone and apologies were noted.	
2	<b>Minutes and actions from last meeting</b> Minutes were accepted as a true record of the meeting.	
3	<b>Matters arising from last meeting</b> CM will pursue further the variation in meeting dates to give everyone a better chance of attending the meetings. The last doodle poll proved inconclusive.	CM
4	<b>Declarations of conflict of interest</b> PD declared a link to the PI on OX146, but is not involved in the application and as such the team declared they were happy for her to remain in the meeting.	
5	<b>Applications for discussion</b> <b>OX136 - Exploring the long-term complications associated with childhood, adolescent and young adult survivors of cancer</b> RP will pursue the definitive verdict on this outside this meeting. SP has confirmed he's happy with the amendments. <b>OX146 - Effects of the COVID-19 pandemic on breast cancer diagnostic pathways in England</b> KP, PK & JC declared the application well written but there are significant inconsistencies in aim and purpose of research question and in the range of data needed, as well as PPI inclusivity at this stage. Revise & Resubmit.	RP

6	<b>Applications approved</b>  OX3 (amendment) OX24 (amendment) OX69 (amendment) OX79 (amendment) OX115 (amendment)	
7	<b>Feedback since last meeting</b>  RB presented four publications as outcomes of four previously approved applications for team's information:  OX24  OX79  OX86  OX102	
8	<b>AOB</b>  Date of next meeting – May 11 <sup>th</sup> 11:30-12:30
