	Chair informed the team that the QResearch Advisory Board had discussed training for the Committee, and also for those looking to apply to use the data.	
	JHC would like to look first at what training was already out there before we 'reinvent the wheel'.	
	The Committee were happy for the applicants on projects coming before them to discuss their application if it was being held up by repeat re-reviews.	
	Date of next meeting – 6 <sup>th</sup> June, 1.00pm – 2.00pm
